*In the first half of February 2022 an initial evaluation questionnaire was created in Google Forms and applied to the target group. The questionnaire was completed online by 458 students from Romania.*

On March 22, 2022, the official launch of the Erasmus + strategic project took place, No. 2021-1-RO01-KA220-SCH-000031630, entitled "ACT FOR GREEN FOOTPRINT, NOT THE GLOBAL WARMING!", in the Festivities Hall of "Mircea cel Bătrân" National College, Râmnicu Vâlcea, as a coordinating school.

Among the guests there were representatives of the National Administration "Romanian Waters", the County Agency for Environmental Protection, the National Forests Authority - ROMSILVA - Vâlcea Forestry Department and the company for the collection of recyclable waste locally, "Super Ants".

## THE LOGO COMPETITION

Between February 16 and 28, 2022, the first activity of the project took place - the logo competition.

140 works were uploaded to the project team's work platform, both individually and as a team, and were accompanied by a private commentary in English containing a brief description of the logo.

Following the selection process, at the level of all partners, the logo in the next image was chosen as the most representative.

**ACT FOR GREEN FOOTPRINT, NOT THE GLOBAL WARMING!**

From April 6 to 8, 2022, at “Mircea cel Batrân” National College, Râmnicu Vâlcea, the first Transnational Project Meeting of the Erasmus + project “Act for green footprint, not the global warming!” took place, being attended by 10 representatives of the partner countries (Turkey, Italy, Slovenia, Greece) and the Romanian project team, acting as coordinator.

During the meeting, discussions were held on the activities that were carried out, but also on those that are to be implemented in the next period.

On April 9, 2022, the Green Movement Volunteer Club was launched within the Erasmus + project, thus marking its first activity - greening the Capela Hill.
