**ACT FOR GREEN FOOTPRINT, NOT THE GLOBAL WARMING!**

Co-funded by  
the European Union

## NEWSLETTER No.1 (January - May 2022) - Slovenia

**MAIN GOAL:** *Increasing the responsibility of the target group for environmental protection, each acting for the responsible use of natural resources.*

### OBJECTIVES:

- 🌸 To raise awareness of the participants regarding the global warming and climate change. Increasing by 60% the number of students from partner schools aware of the importance of the environmental protection
- 🌸 To discover new ways of learning by creating a learning environment where students can gain knowledge and experience at the local and European level
- 🌸 To make the participants understand the reasons of the global climate change problem.
- 🌸 To reduce unnecessary consumption and waste.

## PARTNERS

- ❖ National College „Mircea cel Bătrân” (Romania)
- ❖ Selcuk Yasar Alaybey Ortaokulu (Turkey)
- ❖ Dijaski dom Drava Maribor (Slovenia)
- ❖ IC Pontassieve (Italy)
- ❖ ANAPTIXIAKO KENTRO THESSALIAS (Greece)
- ❖ O.C.E.A.N (Organization of Culture, Education and Advice in Networks) NGO (Greece)

**From 01.02.2022 to 08.03.2022 the selection procedure of the target group was carried out, which totaled a number of 202 d high school students, resulting from the forms applied and the documents requested by them.**

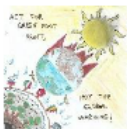

*From April 6 to 8, 2022, at “Mircea cel Bătrân” National College, Râmnicu Vâlcea, the first Transnational Project Meeting of the Erasmus + project “Act for green footprint, not the global warming!” took place, being attended by 10 representatives of the partner countries (Turkey, Italy, Slovenia, Greece) and the Romanian project team, acting as coordinator.*

*During the meeting, discussions were held on the activities that were carried out, but also on those that are to be implemented in the next period.*

*On Thursday, April 21, we celebrated World Earth Day at the student dormitory, which is otherwise celebrated on April 22. On this occasion, students and educators worked together to clean up around our home. At the*

*end of the cleaning campaign, we planted some honey plants in front of the home and listened to a lecture by our educator Hervik Grobelnik on the importance of planting honey plants and beekeeping.*

*As part of Erasmus, we held an art workshop on Wednesday, 18 May 2022, where students created a mosaic from the collected corks. The mosaic motive is the logo of our home and we added a green footprint (from the title of our project). 😊*

*The mosaic is exhibited in the lobby of the our dormitory.  
The art workshop was led by our educator Tobias Dajčman.*
